

LARGE GENERAL SERVICE

AVAILABILITY - Available throughout the territory served by the Public Works Commission in accordance with the Commission's established service regulations.

APPLICABILITY - To electric service used for commercial or industrial purposes where the maximum demand exceeds 1,000 kW but is less than 10,000 kW.

CHARACTER OF SERVICE - Service shall be three-phase, sixty hertz alternating current at the Commission's standard available voltages. Service shall be provided at a single point of delivery through one meter.

MONTHLY RATE -

Basic Facilities Charge	\$200.00
Demand Charge For all kW	\$10.10 per kW
Energy Charge For all kWh	\$0.0420 per kWh

DETERMINATION OF BILLING DEMAND - The monthly billing demand shall be the higher of:

1. The maximum kW registered or computed during any 15-minute interval using PWC's metering facilities; or,
2. 50% of the contracted demand until such time as the registered or computed demand first equals or exceeds the contracted demand.

PRIMARY DISCOUNT - A primary discount will be given where the customer takes service directly from the Commission's distribution lines of 7,200 volts or higher, but less than 69,000 volts, and the customer owns, operates, and maintains the equipment normally provided by the Commission. Primary discount will be given in the form of reduced demand charges as follows:

Primary Discount	\$ 0.50 per kW
-------------------------	-----------------------

LARGE GENERAL SERVICE (CONTINUED)

POWER FACTOR ADJUSTMENT - This rate schedule is predicated upon a power factor of 85% or higher. In situations where the required power factor is not maintained, the registered or computed kW demand will be increased by one percent for each one percent by which the power factor is less than 85%.

WHOLESALE POWER COST ADJUSTMENT - All stated energy rates are subject to adjustment according to Schedule PCA.

PAYMENTS - Bills are due when rendered and are payable within 20 days. If a bill is not so paid, PWC has the right to suspend service in accordance with the service regulations.

SPECIAL FACILITIES CHARGES - As specified in the service regulations, a monthly surcharge may be assessed for special facilities provided by PWC.

Street Lighting (RYI)
