

PWC DESIGN MANUAL

TABLE OF CONTENTS

<u>Preface</u>	<u>Page</u>
Introduction	i-ii
Acknowledgment	iii
Copies of Manual	iv
Contact List	v
Disclaimer	vi
<u>Chapter One - General Requirements for Water and Sewer Extensions</u>	
I Standard Definitions	1.1-1.6
II Standard Abbreviations	1.7-1.8
III General Requirements	1.9-1.10
IV Submittals and Guidelines	1.11-1.12
V Conceptual Phase	1.13
VI Safety	1.14
<u>Chapter Two - Sanitary Sewer Design Guidelines</u>	
I General Guidelines	2.1
II Required Permits for Construction	2.2
III Design Capacity and Design Flow	2.2-2.6
IV Details of Design and Construction of Sanitary Sewer Collection Mains	2.6-2.8
V Sanitary Sewer Locations	2.8-2.12
VI Manholes	2.12-2.16

VII	Sewers in Relation to Streams and Other Water Bodies	2.16-2.19
VIII	Protection of Potable Water Supplies, Storm Sewers and Other Utilities	2.19-2.21
IX	Pump Stations and Force Mains	2.21-2.42

Chapter Three - Water Distribution Design Guidelines

I	General	3.1
II	Hydraulic Design and Demand	3.1-3.2
III	Water Distribution System	3.2-3.15
IV	Cross Connection Prevention	3.15-3.21

Chapter Four - Survey Requirements

I	General	4.1
II	Data for Design	4.1
III	Data for Construction	4.1

Chapter Five - Drawing Requirements

I	General	5.1
II	Typical Drawing Set	5.1
III	Plan Sheet Requirements (All Drawings)	5.2-5.3
IV	Title Sheet	5.3
V	Utility Layout Sheet	5.3-5.4
VI	Plan/Profile Sheets	5.4-5.6
VII	Detail Sheets	5.6

VIII	Record Drawings Checklist	5.6-5.7
IX	Standard Checklist	5.7-5.9

Chapter Six - Drafting and CADD Standards

I	General	6.1-6.2
II	Standard Layer List	6.3-6.7
III	Standard Abbreviations	6.8-6.11

Chapter Seven - Permits, Encroachments and Easements

I	Required Permits for Construction	7.1-7.9
II	Water and Sewer System Approval Process	7.9-7.10
III	Required Sets of Plans and Specifications for Approvals	7.11
IV	Examples	7.12
	?? Final Plans and Permit Submittal Checklist	
	?? PWC Specification Checklist	
	?? PWC Property Questionnaire	
	?? PWC Economic Development Incentive Questionnaire	
	?? PWC Application for Approval of Engineering Plans and Specifications for Water Supply Systems	
	?? PWC Application for Gravity Sewers, Pump Stations, and Force Mains	
	?? PWC Water Permit Issuance Letter	
	?? PWC Sewer Permit Issuance Letter	
	?? Engineer's Certification – Water	
	?? Engineer's Certification – Sewer	
	?? Final Approval Letter from PWC	
	?? NCDOT Encroachment Drawing	
	?? Aberdeen and Rockfish Railroad Pipeline Crossing Application	
	?? Easement Submittal Checklist	
	?? Standard Easement Drawing	
	?? Blanket Easement Exhibit	

Chapter Eight - Standard Details

Sewer Details
 Water Details
 Miscellaneous Details
 Erosion Control/Wetland/Drainage Details
 Miscellaneous Notes

Chapter Nine - Technical Specifications

Definitions of Terms	1-3
General Conditions	1-11
02110 Site Clearing	02110 1-2
02111 Site Clearing (Utility)	02111 1-2
02211 Grading, Utilities	02211 1-4
02222 Excavation, Trenching and Backfilling for Utility Systems	02222 1-6
02272 Erosion Control - General Provisions	02272 1-3
02273 Temporary Silt Fence	02273 1-2
02274 Gravel Construction Entrance/Exit	02274 1-1
02301 Boring and Jacking (Roadways and Railroads)	02301 1-3
02350 Steel "H" Piles	02350 1-2
02505 Adjustment of Existing Structures	02505 1-2
02573 Remove and Replace Pavement (Permanent Patch)	02573 1-2
02660 Water Distribution	02660 1-15
02662 Fire Hydrant Painting	02662 1-2
02730 Sanitary Sewer Systems	02730 1-11
02732 Sewage Force Mains	02732 1-5
02733 Watertight Manhole Insert	02733 1-1
02753 Submersible Pump Lift Station	02753 1-4
02831 Chain Link Fencing	02831 1-3
02930 Lawns and Grasses (Utility)	02930 1-3
02931 Sod	02931 1-5
02933 Lawns and Grasses (Seeding)	02933 1-3
02934 Seeding Wetlands	02934 1-3
03301 Concrete Construction (Utility)	03301 1-4
09800 Special Coatings (Coal Tar Epoxy Lining Manholes)	09800 1-3
09802 Special Coatings - Ceramic Epoxy	09802 1-3
09803 Special Coatings - Cementitious Lining	09803 1-3
16000 Underground Electrical Crossing	16000 1-4
16768 Fiber Optic Conduit	16768 1-2

LIST OF TABLES

<u>Chapter 1</u>	<u>Page</u>
Table 1 - Required Sets of Plans & Specs for PWC and State Agency Approval	1.12
<u>Chapter 2</u>	
Table 1 - Guidelines for Determining Domestic Waste Quantities	2.3
Table 2 - Minimum Slopes	2.4
Table 3 - Concrete Pipe & Depth of Cover	2.9
Table 4 - SDR26 PVC Pipe Minimum & Maximum Depth of Cover	2.9
Table 5 - Extra Strength Clay Pipe Minimum & Maximum Depth of Cover	2.10
Table 6 - Ductile Iron Pipe Maximum Depth of Cover	2.10
Table 7 - CCFRMP Maximum Depth of Cover	2.11
<u>Chapter 3</u>	
Table 1 - DI Mechanical Joint Allowable Deflection	3.6
Table 2 - DI Restrained Joint Allowable Deflection	3.6
Table 3 - DI Push on Joint Allowable Deflection	3.7
Table 4 - C900 PVC Allowable Deflection	3.7
Table 5 - Min. Length DI Pipe Restraint 16" Diameter and Greater	3.13
Exhibit 1 – Meter Sizing Form	3.22
<u>Chapter 4</u>	
Exhibit 1 – Water Cut Sheet (Sample)	4.4
Exhibit 2 – Sewer Cut Sheet (Sample)	4.5

Chapter 6

Table 1 – Standard Sheet Sizes	6.2
--------------------------------	-----

Chapter 7

Table 1 – Minimum Easement Widths	7.7
-----------------------------------	-----
