**WHEREAS**, The COMMISSION intends to request state loan assistance for the project,

**NOW THEREFORE BE IT RESOLVED BY THE COMMISSION THAT:**

1. The COMMISSION will arrange financing for all remaining costs of the project, if approved for a State loan award.

The COMMISSION will adopt and place into effect on or before completion of the project a schedule of fees and charges and other available funds which will provide adequate funds for proper operation, maintenance, and administration of the system and the repayment of all principal and interest on the debt.
3. The COMMISSION agrees to include in the loan agreement a provision authorizing the State Treasurer, upon failure of the COMMISSION to make scheduled repayment of the loan, to withhold from the COMMISSION any State funds that would otherwise be distributed to the COMMISSION in an amount sufficient to pay all sums then due and payable to the State as a repayment of the loan.
4. The COMMISSION will provide for efficient operation and maintenance of the project on completion of construction thereof.
5. David W. Trego, CEO/General Manager of the COMMISSION, the Authorized Official, and successors so titled, is hereby authorized to execute and file an application on behalf of the COMMISSION with the State of North Carolina for a loan to aid in the construction of the project described above, furnish such information as the appropriate State agency may request in connection with such application or the project, to make the assurances as contained above, and to execute such other documents as may be required in connection with the application.

6. The COMMISSION has substantially complied or will substantially comply with all Federal, State, and local laws, rules, regulations, and ordinances applicable to the project and to Federal and State grants and loans pertaining thereto.
