

Virtual Meeting: Sewer Connection

Monday, September 13, 2021

6:30 p.m.

Residents in Project 23, Section 1 (Wells Place) where sewer installation was recently completed, are invited to participate in a virtual information meeting explaining the utility connection process. Official Connection notices are being mailed to property owners included in this project area and eligible for connection. Staff of the Fayetteville Public Works Commission, and a representative from the Fayetteville Area Plumbers Association will participate in the meeting to explain details related to sewer connection and answer questions you may have.
