

The following documents must be attached or included for the Application to be considered complete:

- _____ Application fee(s) – (maximum 25 facilities per application)
- _____ Pre-Construction Survey with detailed plans for any proposed Attachments, including a description of any necessary, known Make-Ready Work prepared by a professional engineer
- _____ The proposed location for each Attachment
- _____ Photographs of the proposed site location and its immediate surroundings
- _____ Detailed description, including drawings as necessary, of the equipment type and model numbers for all equipment associated with the Wireless Facility(ies)
- _____ A proposed schedule for the installation and completion of each Wireless Facility, if approved
- _____ Identification number(s) for each Pole or wireless support structure
- _____ Proof of permission granted by property owner, if any proposed existing pole is not owned or controlled by PWC

I, _____, on behalf of the Applicant, hereby attest that I am duly authorized to sign and submit this Application, which indicates to the best of my knowledge and belief that the information stated in this Application and in all supporting plans and documents is true and accurate. The Applicant agree to comply with and be bound by all the requirements of PWC’s Wireless Facility Attachment Tariff and the applicable Wireless Facility Attachment Fee Schedule, as revised or amended from time to time.
