Will we have appropriate access and permissions to your source environments and Office 365 tenant to provide data Assessment & Yes	

Vendor Questions w/Responses for IA a	
Question	Response
Business will be involved in the creation of the data map which we'll use to migrate to the desired location. It involves clean-up of the source location data. Delete, Archive, move will need to be determined by the business. Will that work for PWC?	PWC intends to colloborate with our vendor and make the appropriate determinations through out the planning /implementation process.
The Vendor migrates copies of the content into the desired M365 locations, keeping the original as Read Only for a predefined period to be decided by PWC with Vendor's consultation.	To be determined during discovery/planning phase.
What is the number of sources/drives of information to be considered?	2 Drives
How many project sites will be migrated?	Less than 100
How many Team sites will be migrated? What types of information need to be migrated?	Between 150-200 Documents, Forms, Foldersetc.
Appendix B: As it relates to the current SharePoint sites, what do	bocaments, Forms, Foldersetc.
you envision our tasks being as it related to those sites. There was a mention of archiving of some sites, beyond that, would there be additional scope?	Migration, Archiving, content re-structuring Etc.
MISC: Is a vendor currently providing SharePoint services to the organization and can they bid on this project	No vendors are providing SP services.
How many sites/site collections have to be migrated?	Less than 500 sites.
Do you use and need to migrate personal sites and OneDrive's in the current SharePoint system?	No
What are the main SharePoint Services do you use and plan to migrate (Search, BDC, UPS etc.)?	N/A. SPO environment only.
Do you have any custom solutions in your current SharePoint system (custom design, web parts, jobs, workflows activities, etc.) that should be migrated? Can you describe them?	No
Does data need to be migrated AS-IS into the new SPO sites or does it need to be restructured/cleaned up?	Both
Assuming data must be migrated from current SPO sites to new SPO sites, are there any SP On Premise components also with PWC from where data must be migrated to SPO?	No
For the data migration are you only looking for the plan or to actually complete the migration?	Both
What is the expected start and end date of this project?	2nd Qtr FY23 - 3rd Qtr FY23.
Do you use Azure Active Directory?	Yes
What is your current version of SharePoint?	SharePoint in Microsoft 365 Formerly known as "SharePoint Online".
What is the term of the contract?	Refer to RFP Terms and Conditions.
There is a VENDOR INFORMATION FORM on Page 10 of the RFP, and it asks for a "Yes" or "No" response for SDBC, Minority, or Woman Owned Business Enterprise. We assume that a Vendor who is an MBE certified by any certification agency can checkmark the "Yes" field, Please confirm.  Please provide clarification regarding the references section 5.1.5.	Required to be US Government recognized certification.
on the types of references?	Refer to Appendix A.
Please provide the objective of the SharePoint - Information Architecture and Content Migration.	Refer to RFP: Background/Current State.
What Office 365 Licenses do you have?	E3 & E5
How many users does PWC have?  How many Divisions/Departments does PWC have?	650
now many bivisions/ Departments does PWC haves	Less than 20.
Which IT Ticketing system is used by PWC?  Are there other M365 also in the scope of this engagement? (e.g.,	Freshdesk
OneDrive, Teams, Exchange, Power Platform, Power BI?), or is it just SPO?	Refer to RFP: Appendix B SPO, OneDrive.
What is the main objective of launching SPO to your business users?	Refer to RFP: Introduction/Purpose.
Have you recruited an Executive Sponsor, Project Manager, and Tech Team along with Business Champions?	Yes
What is your definition of success?	Meeting or exceeding project requirements as defined in RFP: Scope of Work/Appendix. B.
Do you have a Communications office, and will they be involved with the communication campaign?	Yes
Are there any specific Support SLAs (Service Level Agreements) that you are looking at during the support period that you can clarify?	No
What is the estimated budget for the entire project?	TBD
Could you please grant an extension on the due date?	Yes, due date extended to Jan 25, 2023 @3:00pm.
Do you currently already have M365? What workloads are already deployed in M365	Yes N/A. SPO environment only.
Is the tenant a commercial tenant or GCC?	Commercial
How many potential divisions/departments will be involved or be sites?	Less than 20.
For the security requirements (conditional access, Data Loss Prevention and Multi Factor Authentication) are you licensed for these features?	Yes
Can you briefly state the architectural and content management challenges that need to be resolved by the new solution?	Proliferation of documentation, Content findability, Content Approval, Application Integration, Versioning.
Section #3.6: Are you requesting a Certificate of Insurance with our proposal submission. Can we meet the insurance requirements via two different policies.	The awarded vendor will need to provide a COI prior to starting work. Yes.
What is the primary work location for this project, Can we perform this scope from outside of US i.e. Canada, India.	Fayetteville, NC. Yes
Does the offeror have to be registered as a vendor on the iSupplier	The awarded vendor will need to register as a supplier.
Portal prior to submitting a proposal?	a supplier.

Question	Response
Are out-of-state offerors allowed to submit a proposal? Do we need to be registered with the state of North Carolina?	Yes, out-of-state offerors may submit a proposal.
Is a specific role of the POC reference (i.e. government employee, management, director, etcetera), required?	Not specifically. Whomever your project manager may be.
Does it have to be three references from three different clients if the offeror provided services to multiple customers within one large agency?	Yes, but provide both if it's not clear.
Is PWC open to a hybrid team working on this project (split between US-based resources and offshore resources from another country)?	We are only awarding to one company. Your team is your choice.
Does PWC share the Cost Proposal format with us?	The cost proposal format is yours - we don't have a template for that.
Can you provide the points allocated for each Qualification Evaluation criteria in Section 7 of the RFP so that we can be better informed on how the scoring will be allocated?	Total points is 100. We are looking for the following categories: Strength and stability, experience on similar projets, overall responsiveness and completeness of proposal, a demonstrated clear understanding of the scope, personnel, subcontractor qualifications and costs.
Please provide clarification regarding the references section 5.1.5. on the types of references?	Refer to RFP: References. Business references.
If we need to submit any sample Certificate of Insurance, please share the cert holder's name and address to be put in the sample COI.	Not necessary.
Does PWC allow the vendors to submit the proposal via the same Email to which we are sending the questions, in place of paper submission?	It is required that hard copies be mailed to the address in the RFP. You may send an email copy in addition, but sending hard copies via mail is required.
Please clarify the Appendix B submission requirements.	
A.) Do we need to submit Appendix B with the proposal as, under Section 5 PROPOSAL CONDITIONS submittal format, it is not mentioned anywhere that Appendix B is needed We request that you clarify the Appendix B submission requirements.	Yes, please complete Appendix B and submit with your proposal.
In section 5.14, point A is mentioned. Include a description of office location(s), organizational structure, number of years in business, and annual revenue.	The total amount of money company makes during the last 12-month period from the sale of products, services, assets or capital.
What details need to be provided for the Annual Revenue?	Annual Revenue are required.
If annual revenue are required in the proposal, how will PWC protect and keep these data for confidentiality and non-disclosure?	Most company's annual revenue is public. Please reach out to our legal dept with any concerns.
Should the cover letter have a wet signature?	Yes
Is a digital signature accepted?	Yes
Is there a font restriction on style and size for the Executive Summary?	No
Statement of Qualifications 5.1.4, Point D: Can we provide sample	Please provide resumes for project team
resumes, or do they have to be W2 employees?	members.
Is there a point-guided evaluation for each section of the RFP Response?	Yes
Is it required to provide the COI alongside the proposal response?	No, only the awarded proposer will be required to provide a COI prior to starting work.
Can the team members work from an offshore location?	Yes. Members must be available during PWC business hours.
Do we need to provide the Non Disclosure alongside the proposal	The awarded vendor will be provided a non-
