

WHOLESALE WATER SERVICE

AVAILABILITY Available to legal entities authorized to resell water to retail customers in the Cape Fear River Basin with which the Fayetteville Public Works Commission ("PWC") enters into a written contract to sell water for resale.

APPLICABILITY As contracted.

CHARACTER OF SERVICE A customer receiving service under this schedule shall be responsible for operating and maintaining in good working condition at all times the necessary facilities for such service. The volume of water flow and residual pressure at the point of delivery shall be in accordance with PWC's approved flow standards.

MONTHLY RATE The monthly rate shall be the Usage Charge. If the contract is an Emergency Water Contract, the monthly rate shall be Usage Charge plus the Basic Facilities Charge.
