

SEPTAGE HAULER WASTE SERVICE

AVAILABILITY Available at the Fayetteville Public Works Commission (“PWC”) Cross Creek Water Reclamation Facility located on U.S. 301/Business I-95. Service is available only to those applicants having obtained prior written approval from the PWC Water Resources Division. Applications for service may be obtained from the PWC Water Reclamation Manager.

APPLICABILITY Applies to liquid residential septage brought to the PWC facility in bulk by the customer's tank truck. This shall include septic tank waste and waste from portable toilets. No septage waste shall be accepted which does not conform with or is prohibited by the City of Fayetteville Sewer Use Ordinance.

CHARACTER OF SERVICE Septage and Portable Toilet Waste shall be delivered to the Cross Creek Water Reclamation Facility and meet the requirements of the City of Fayetteville Sewer Use Ordinance.

MONTHLY RATE The monthly rate for service shall be the sum of the Basic Facilities Charge, the Usage Charge, and the Surcharge (where applicable).

Basic Facilities Charge – Every Truckload

Meter Size	Charge
Per Truckload	\$35.40

Usage Charge

Unit of Measurement	Charge
Per Gallon	\$.04525

Original and Replacement Key Scan Security Card **\$30.00**

Reactivation of Key Scan Security Card per occurrence **\$30.00**

DETERMINATION OF VOLUME Maximum gallons billed per truckload shall be determined by the manufacturer's label on the truck. If such label is not present, the volume will be determined by PWC.

PAYMENTS All bills shall be paid in accordance with the terms of the Service Regulations and Charges.

SCHEDULE SEPT (Rev. 15)

For Service and Consumption starting: April 2023

All Charges Effective: May 1, 2023

Adopted: March 8, 2023
