1. Acknowledgement of this Addendum must be done within Article 3 – Bidder's Representation's section listed within the Bid Documents
 2. Following are questions received about the solicitation and the subject matter expert's answers to the questions.
 - Q1.** Has the power purchase agreement (PPA) already been approved by the local utility, or will that be in the scope of the solar contractor as well?
 - A1.** PWC is the interconnecting utility and owner, therefore there is no need for a PPA.
