

Fayetteville Public Works Commission Rain Sensor Program Terms and Conditions

2024 Rain Sensor Program Rules

- Qualifying purchase must be new rain sensor. Resale rain sensors, new parts installed in existing product, or product that are leased, rebuilt, rented, received from insurance claims, received warranty, or won as a prize do not qualify.
- Application for qualifying rain sensor must be submitted within **forty-five (45) days** of purchase and installation.
- Qualifying rain sensor does not guarantee approval of bill credit. Bill credit is offered on a first-come, first-served basis and is subject to availability of funds.
- Applicant's PWC account must be current, with active service, and non-delinquent (i.e. no past due balances) at the time the application is processed, or application will be denied. Should the past due balance be rectified within thirty (30) days of date on denial notification.
- Paid invoice/receipt must clearly identify the rain sensor and include date of purchase, purchase price, and manufacturer. Program application must be complete and include a copy of the purchase receipt.
- Applicant must submit all paperwork required of Program to be eligible for bill credit.
- PWC is not responsible for lost, damaged, late, illegible, misdirected or postage-due applications.
- Credit is issued as a bill credit to the PWC service account and may take up to ninety (90) days to process.
- PWC reserves the right to verify sales receipts and/or installations of rain sensor before issuing bill credit.
- Applicant shall agree to a possible post-installation audit by a PWC Conservationist.
- All terms, conditions, and rules of the Rain Sensor Programs are subject to change.
- Program eligibility is April 1, 2024 – September 30, 2024.
