Dear Vendor:

On behalf of the NCAMES Board of Directors, I would like to extend a personal invitation to you and your organization to join us at this year's 62nd Annual NCAMES Engineering and Operations Conference and the 26th Annual NCAMES Lineman's Rodeo.

The NCAMES Annual Engineering and Operations Conference is designed to assist North Carolina Municipal Electric System personnel in enhancing their knowledge and skills in their respective areas of expertise. It is a time where Municipal electric system employees can come together and network with one another and participate in training and education opportunities.

During the NCAMES Conference all attendees will have the opportunity to see and meet new and existing vendors in our industry. Vendors will have a diverse audience to promote new and exciting products and services offered in today's electric utility industry. With over 70 public power providers in the North Carolina and over 300 expected attendees from across the state, this is a great opportunity to display your products, services, and latest technologies.

Vendors play a tremendous role in the success of our annual. We have made every effort to ensure each vendor gets adequate exposure during this year's conference and we will work diligently to ensure your expectation are met. We encourage feedback and use it to improve our conference each year. Both positive and negative comments are welcome.

The Conference will be held Tuesday, May 13<sup>th</sup> through Wednesday, May 14<sup>th</sup> at the Rocky Mount Event Center located at 285 NE Main Street in Rocky Mount, NC. The rodeo will take place in front of the Gateway Convention Center located at 101 Gateway Blvd, in Rocky Mount, NC on Thursday, May 15, 2025.

We completely understand that Vendors want the opportunity to socialize with attendees. It is also equally important that we have participation from attendees during schedule conference sessions. We have revised our agenda to help provide Vendors with additional opportunity to socialize and we therefore respectfully request that Vendors schedule their social interactions with attendees to not interfere with the conference agenda. **We also respectfully request to refrain from the open recruitment of municipal employees by Vendors.**

### **Conference Activities**

Please keep in mind that all registered vendors and attendees are invited to participate in all Conference activities except for two: The Utilities Directors Dinner on Wednesday, May 14<sup>th</sup> and the Rodeo Judges Breakfast on Thursday, May 15<sup>th</sup>.

The cost of sponsoring a 4-person team will be \$300 per team and includes the green and cart fees, lunch, prizes, and snacks for the day. Please note that there will be a limit of 25 teams (100 golfers maximum) and all teams over the limit will be placed on the waiting list in the order in which the registration was received.
