

Sewer Connection Informational Meeting

Tuesday, January 14, 2020

Arran Lakes Baptist Church, Family Life Center

1130 Bingham Drive, Fayetteville, NC 28304

7:00 p.m.

Residents in the Project 21 (Arran Lakes West) where sewer installation was recently completed, are invited to attend an informational meeting explaining the utility connection process. Official Connection notices are being mailed to property owners included in this project area and eligible for connection. Staff of the Fayetteville Public Works Commission, City of Fayetteville Inspections Department and a representative from the Fayetteville Area Plumbers Association will be present at the meeting to explain details related to sewer connection and answer questions you may have.
