- c. Bonds required

2. **Small & Disadvantaged Business Enterprise (SDBE) Program Requirements:**

- A. **PWC has adopted a new SDBE Program** that promotes utilizing Small & Disadvantaged Business Enterprises for PWC procurements, effective December 1, 2025. The entire program and related documents are included within the contract documents.
- B. The **SDBE Program requires bidders to solicit certified SDBE businesses** and report any efforts to do so. A link to the SDBE online directory can be found in the bid packet.
- C. **PWC's geographical statistical area for the SDBE Program** includes NC DOT Regions 3–8 and 10.
- D. **This project has an aspirational goal of at least 5% SDBE participation** for construction contracts. These goals are evaluated annually and may be adjusted based on market availability.
- E. **All SDBE documents required to be submitted with the bid are clearly marked.** Good faith outreach and subcontractor utilization efforts can be documented in the SDBE forms provided in the contract documents. It is encouraged for bidders to provide these efforts at the time of bid submittal, but it is not required. Program staff will reach out to the lowest responsive, responsible bidder to obtain good faith effort evidence if not included in the bid package. At that time, the bidder is required to provide documentation within 24 hours or the following business day.
- F. The awarded bidder is required to comply with the **SDBE Program requirements** and submit subcontractor payment details on the SLS/SDBE disclosure forms with each pay application, including the final pay application. Non-compliance with subcontractor utilization or payment reporting may result in delays in pay application review and payments.
- G. **PWC also values the participation of local vendors** in our procurements. Contractors are encouraged to consider the use of local vendors whenever possible and identify such vendors in their bid. PWC's Metropolitan Statistical Area (MSA) for local vendors

includes Cumberland, Hoke, and Harnett Counties. Local vendor payments should also be included with subcontractor payment reporting.
