Dear Vendor:

On behalf of the NCAMES Board of Directors, I would like to extend a personal invitation to you and your organization to join us at this year's 63rd Annual NCAMES Engineering and Operations Conference and the 27th Annual NCAMES Lineman's Rodeo.

The NCAMES Annual Engineering and Operations Conference is designed to assist North Carolina Municipal Electric System personnel in enhancing their knowledge and skills in their respective areas of expertise. It is a time where Municipal electric system employees can come together and network with one another and participate in training and education opportunities.

During the NCAMES Conference all attendees will have the opportunity to see and meet new and existing vendors in our industry. Vendors will have a diverse audience to promote new and exciting products and services offered in today's electric utility industry. With over 70 public power providers in North Carolina and over 300 expected attendees from across the state, this is a great opportunity to display your products, services, and latest technologies.

Vendors play a tremendous role in the success of our annual. We have made every effort to ensure each vendor gets adequate exposure during this year's conference and we will work diligently to ensure your expectations are met. We encourage feedback and use it to improve our conference each year. Both positive and negative comments are welcome.

The Conference will be held Tuesday, May 19th through Thursday, May 21st at the Hickory Metro Convention Center located at 1960 13th Drive SE in Hickory, NC. The rodeo will take place in Dallas Park located at 1303 Dallas Cherryville Hwy in Dallas, NC.

Display Booths:

The registration cost for your display is \$550 and includes the following:

- One (1) attendee registration (covers the conference, rodeo, and all meals associated with the events).
- One exhibit space as requested indoor (includes skirted 6' table & 2 chairs), outdoor, or rodeo);
Additional chairs are \$3.00 each-see registration form

A second display booth area may be reserved for an additional \$250 (instead of \$550). Additional attendee passes (including conference, rodeo, and all meals associated with the events) may be purchased for \$100 each. Electricity access, other media charges (internet), and any additional tables or chairs are **NOT** included in the registration but can be provided upon request for the additional fee listed on the Vendor Registration Form.

Outside Display Booth - Outdoor exhibit spaces of 10'W x 20'L are available in the parking areas adjacent to the Arena.

Rodeo Display Area – Spaces will be assigned on a first come, first served basis.

If you need to ship in exhibits in advance, the shipping address is 1960 13th Drive SE, Hickory, NC, NC 28602. On the shipping label, please put your name, company name and the event name "NCAMES." Return shipping is your responsibility. DO NOT SHIP ANYTHING MORE THAN 5 DAYS PRIOR TO THE CONFERENCE AS THE CONVENTION CENTER WILL NOT ACCEPT IT.

We completely understand that Vendors want the opportunity to socialize with attendees. It is also equally important that we have participation from attendees during scheduled conference sessions. We have revised our agenda to help provide Vendors with additional opportunities to socialize and we therefore respectfully ask that Vendors schedule their social interactions with attendees to not interfere with the conference agenda. **We also respectfully request to refrain from the open recruitment of municipal employees by Vendors.**

Conference Activities

Please keep in mind that all registered vendors and attendees are invited to participate in all Conference activities except for two: The Utilities Directors Dinner on Wednesday, May 20th and the Rodeo Judges Breakfast on Thursday, May 21st.

Please be sure and join us for this year's conference information sessions on Wednesday, May 20th. This year the sessions are again divided into two tracks. Technical sessions are tailored towards utility directors, engineers, and managers. Field sessions are tailored towards crew supervisors, linemen, and other field personnel. You are free to attend any session on either track based upon your needs and interest in the subject presented.

Vendors are cordially invited to join us at this year's Annual Business Meeting/Dinner/Rodeo Awards on the evening of Thursday, May 21st from 6:00 p.m. – 9:00 p.m. at the Hickory Metro Convention Center. Also, please join us in congratulating *our Hall of Fame inductees*.

Golf

We are pleased to announce that the 2026 Annual Golf tournament will be held at Glen Oaks Golf Club located at 245 Golf Course Road in Maiden, NC on Tuesday, May 19th, 2026, with an 8:00 AM Check-In and 9:00 AM Shotgun Start (Captain's Choice). With the continued success and increased turnout, we have experienced year after year, we are once again suggesting that Vendors sponsor one or more teams. This provides additional networking opportunities with clients and the opportunity to cultivate client relationships. The cost of sponsoring a 4-person team will be \$300 per team and includes the green and cart fees, lunch, prizes, and snacks for the day. Please note that there will be a limit of 25 teams (100 golfers maximum) and all teams over the limit will be placed on the waiting list in the order for which the

registration was received. Please indicate on the registration and sponsorship form if you wish to sponsor a team and/or anything else associated with the golfing event. The golfing event registration deadline is April 21, 2026. For more information, questions, or concerns, please contact Jonathan Misenheimer at (704) 984-9620 or jmisenheimer@ci.albemarle.nc.us.

Sporting Clay

We are pleased to announce that the 2026 Annual NCAMES Sporting Clay Tournament will be held at Hunting Preserve Sporting Clays located at 300 N Meadow Road, Harmony, NC on Tuesday, May 19, 2026, at 9:00 a.m. As with the Golf Tournament we encourage Vendors to sponsor teams. This event has evolved into a much-anticipated event with many attendees choosing it over the golf tournament. Sponsorships are \$550 per team and include the ammo, lunch, and targets. The 4-person teams must provide their own guns (either a 12 or 20-gauge). **Carts are allowed if they stay on the path and follow the course rules. You may bring your own or rent.** Please indicate on the registration and sponsorship form if you wish to sponsor a team and/or anything else associated with the sporting clay event. **Teams or changes made after the deadline date of April 21, 2026, will NOT be eligible for prizes, trophies, or guaranteed a spot in the event.** No entries will be accepted the day of the event. **Please do not contact range for event details.** For more information, questions, or concerns, please contact Keith Alligood at (252) 253-2777 or kalligood@ayden.com.
