- 3. Following are questions received about the solicitation and the SME's answers to the questions.

Q1. Regarding the SDBE requirements, do we still need to complete the form if we plan to self-perform?

A1. All bidders are required to submit, with their Bid Form at the time bids are due, a properly completed and executed copy of either Affidavit A – Listing of Good Faith Efforts or Affidavit B – Intent to Self-Perform with Own Workforce. Affidavit B may only be used if the bidder will perform one hundred percent (100%) of all elements of the work with its own workforce and will complete the project without the use of subcontractors, material suppliers, or professional service providers; otherwise, Affidavit A is required. In addition, all bidders—regardless of the affidavit selected—must submit Affidavit E – Identification of SDBE/Local Participation Form with their bid. Failure to submit the required affidavits fully completed and properly executed at the time of bid submission may result in the bid being deemed nonresponsive.

- Q2.** Can you please clarify the quantity of relay panels? On page S-10, it appears the numerical number and the word form do not match.
- A2.** Refer to M1 in this Addendum No. 1.
