-
1. Return one properly executed copy of this addendum with bid response or prior to the Bid Opening Date/Time listed above.
 2. The solicitation is hereby modified as follows:
 - M1. PRE-SUBMITTAL MEETING:** The requirement for attendance at the pre-submittal meeting is hereby removed.
 3. The solicitation is hereby clarified as follows:
 - C1. Experienced Required (page 5-6):** “It is anticipated that the design-builder will include a licensed contractor or contractor(s) and a professional engineering firm. All firms shall be licensed in the State of North Carolina. The contractor(s) shall have the following license classifications:
 - Building – unlimited
 - Electrical – unlimited”

Under N.C.G.S. § 143-128.1A, design-build is a single contract delivery method where the selected design-builder is responsible for both the design and construction of the project. The statute does not require that the prime proposer be the general contractor. The design-builder may be an entity or team that includes the required licensed professionals and construction contractor.

The design-builder shall be the submitting firm/entity and the design-builder shall hold either the engineering and/or the general contracting license.

Failure to acknowledge receipt of this addendum may result in rejection of the response.
